Incidents – Complaints –

No incidents were reported this month.

Civil Discourse Update

Chair Rhoads reported some departments within the town's small core group already have emergency reaction plans in place and that Chief Ryan was concerned about the possibility of conflict of interest issues. He suggested having an outside person to be a victim advocate. An organizational flow chart is in the works and the core group will be meeting again to fine tune their plans. The Chair will keep the commission posted on their progress.

Inter-group Meeting

Meeting postponed until February. The mission and membership of the various groups are very similar and the goal is to work to attract more citizens and to become more diversified – not an easy task.

Non-violence Training

Rev. Christine Elliot, Calvary Methodist Church, has volunteered space for the Wall of Silence training program. Mr. Dan Brown has volunteered his training services to begin in February or March. Details forthcoming.
